- Dr. Wynne was is great teacher, I learned a lot in this course.
- Dr. Wynne, being a new edition to the Department of English and Modern Foreign Languages, he has become a major asset. I have become a better researcher and writer under his instruction. I have acquired the skill to challenge scholarly thinking and generate academic ideas of my own. This course could be very tedious at times; however, it has prepared me to be more punctual and to plan ahead in case of emergency. Overall, great professor and awesome course.
- Easy course if you do all your assignments. Make a fun day to just watch a show or movie 1 or 2 classes. Just to alleviate stress
- Good
- He's a good teacher. He helps yu understand the content and if you need any type of help, he's available.
- I actually enjoy English 101 with Dr. Wynne because I feel he really takes the time to makes sure his student do well on their essay and stay interactive in the classroom. I actually would prefer to have Dr. Wynne for English 102 next semester.
- I did not mind the instructor but I did not like how he points at students when he calls on them in class. It may be a habit, but it is a bit rude. Overall I was satisfied.
- I love this class. Dr.Wynne is an excellent instructor and I would recommend that any incoming Freshman take his class.
