^{5.4)} Please provide your comments relative to the instructor or course in general.

- Dr. Craig Wynne is very helpful and understanding. He makes sure we understand and his office hours are very useful.
- Dr. Wynne is a great professor who is very knowledgeable about research papers. I only wish he would allow some class periods (towards the end of the semester) to be for out of class writing.
- Dr. Wynne uses several examples to improve your writing and to retain your attention in class for the duration. He gives great feedback on your papers and it pays dividends on future assignments.
