Student	Response
Anonymous	English has never been my favorite class; however, with Dr.Wynne, this is the very first time I feel welcome to come to class and enthusiastic to learn more every single class. Dr.Wynne always makes sure that everyone has understood the material, and ask several times for questions, if no one says something then, he continues. I recommend Dr.Wynne as a professor for everyone who will take Found. Writing I.
Anonymous	He was one of the Professors I have that was more concerned with me getting a transcriber for the class due to me being Hearing Impaired. No matter how many times I email him, he has always made sure I understood whatever the assignments and concerns I've had.
