- Thanks for a great year
- Dr. Wynne has honestly been the best professor I have ever had at HU. I can honestly say he changed the way I thought about pretty much all the work I do in college. He is so passionate about helping each and every student and that quality in a educator is so important. Dr. Wynne obviously has the skills to be a great and famous writer but he stays here at HU to help us students and that says so much! He is EXCELLENT
- Dr. Wynne is a great teacher. I truly enjoyed his class.
- Dr. Wynne is very enjoyable to have as a professor. He is understanding and provides many opportunities to succeed.
- Dr. Wynne was an amazing professor. If I could sign up for his class again, I would.
- Great Teacher!
- This course is interesting and I learned a lot about my assigned topic. However, I wish I didn't have to keep the same topic for the entirety of the course. I would also suggest having people go to the writing conferences during their assigned class times because it is hard to get in when people take your now available free time.
